Letter of Reference

During the summer of 2011, LGI provided AwareBase with assistance on a recent cold call campaign. Thanks to the efforts of Tyler and his team, AwareBase was able to generate a solid volume of leads that we are currently working through our sales funnel. I found Tyler and his team to be courteous and professional and would not hesitate to recommend LGI.

A handwritten signature in blue ink, appearing to read "Steven Gentles".

Steven Gentles, P.Eng
President & CEO
AwareBase Corp.
