

To Whom It May Concern:

Lead Generators International Sales & Marketing Group Inc. (LGI) was retained to spearhead the telemarketing campaign for one of our Vancouver developments, Quay West II. We did not want a typical “boiler room” telemarketing style firm contacting our VIP customers. Our decision to hire LGI over other firms was due to the high level of professionalism and the experience of their staff.

Having tried a different telemarketing company in the past, they did not compare to the level of service we received from Lead Generators International. I am pleased to provide this letter of endorsement for LGI's telemarketing division. The LGI team led by Tyler Dawson performed exceptionally well. I would recommend the services of this firm without hesitation.

Yours truly,
